

CEDAR RAPIDS IOWA CITY
TECHNOLOGY CORRIDOR™

FRINGE BENEFIT PROFILE
RELEASED 2008

Iowa Workforce Development and its Board of Directors worked in partnership with the Employers' Council of Iowa to contact a random sample of local employers across all industrial classifications and employment ranges. Responding businesses provided information on fringe benefit packages offered in the Cedar Rapids/Iowa City Technology Corridor region that encompasses Linn and Johnson counties in Iowa. The information provides a detailed analysis of employer-provided benefits. Consequently, this information will assist businesses, community leaders, and workers to make better informed decisions on expansion and retention initiatives, community development projects, and job offerings.

This information is compiled and analyzed by:
Iowa Workforce Development

Fringe Benefit Profile

Benefit Overview

33.1 percent of the employers located in the Cedar Rapids/Iowa City Technology Corridor who were randomly selected to participate in the survey provided input on fringe benefits being offered. Results are detailed by four benefit category offerings - Insurance, Paid Leave, Retirement, and Additional Benefit Offerings - industry sector, and employment range amongst full-time and part-time employees.

- 84.2% offer a fringe benefit package in addition to wage compensation
 - 9.2% offer benefit packages that are union negotiated
- The average hours worked to be considered full-time is 37 per week
 - 98.9% employ at least one full-time employee
 - 88.1% employ at least one part-time employee
 - 40.4% employ at least one temporary/seasonal employee

Insurance - Health/Medical

- 86.2% offer health/medical insurance in their total compensation packages
 - 86.2% offer to full-time employees
 - 16.9% offer to part-time employees
- 12.3% offer to retired employees
- The majority of employers offer three types of health/medical insurance plans. The following represent those who are enrolled in a health/medical plan offered by the employer
 - 17.56% Traditional Indemnity plan
 - 69.1% Preferred Provider Organization (PPO)
 - 4.1% Health Maintenance Organization (HMO)
 - 9.3% Other, non-defined plan
- 13.8% do not offer health/medical insurance to employees
 - Primary reasons to not offer health/medical insurance benefits are high percentage of part-time workers, cost, employees are covered under spouse/significant other plan, offer higher wages in lieu of medical benefits, and turnover rates
 - 18.0% of those currently not offering health/medical insurance are somewhat likely to offer in the future
 - Employers would offer medical benefits if mandated by law, provided pooling options to reduce costs, or offered tax credits

Insurance - Health/Medical cont.

- 66.0% cost share premiums associated with health/medical insurance for employee only coverage
 - Employers cover an average of 71.5% of the premium
 - 19.2% increased employee's cost share portion for single coverage and 21.6% increased employee's cost share portion for family coverage in the last year
 - Average increases: 14.4% for single coverage, 17.1% for family coverage
- 16.3% cost share premiums associated with health/medical insurance for retired employees

Percent of Employers Offering Health/Medical insurance by Industry & Employment Status

Industry	Full-Time	Part-Time
Construction	83.7%	7.7%
